There's a very good reason why the readers of Black Belt magazine picked Jim Wagner as the Self-Defense Instructor of the Year 2006. It's because he is revolutionizing the way people learn how to protect themselves - from beginners to Special Forces. It's because of the impact of his monthly column *HIGH RISK* read around the world. It's because of his new knife manufactured by Boker. It's because of his new book and DVD series *Reality-Based Personal Protection*. It's because he started the "reality-based" movement, and it's because of a background that few instructors can claim: soldier, jailer, street cop, SWAT officer, diplomatic bodyguard, police & military Defensive Tactics instructor, and counterterrorist for the United States government after 9/11. Now, you can this complete system.

**DEFENSIVE TACTICS MONDAY, JULY 27**

Everything you need to know about striking, blocking, conflict stances and movement is taught to you in this 8 hour course. In a real conflict you will rely on only a few techniques, the rest is all mental. We'll show you both - and more.

**GROUND SURVIVAL TUESDAY, JULY 28**

This course is anything but sport-based - it's tactical. We'll teach you how to hit the deck when bullets fly, subject takedowns, tackle defense, ground conflict positions, striking and weapons use from the ground, and recovery methods.

**KNIFE SURVIVAL WEDNESDAY, JULY 29**

You'll learn the JIM WAGNER DISARM RULE which has been taught to hundreds of elite units worldwide, as well as the 10 angles of attack, the 10 primary blocks, criminal and terrorist techniques, and dozens of conflict exercises and drills.

**CRIME SURVIVAL THURSDAY, JULY 30**

All your self-defense skills come together in this course where you will learn, step-by-step, how to survive modern conflicts: muggings, armed robbery, gang violence, carjacking, caustic chemical attacks, police contact and courtroom survival.

**TERRORISM SURVIVAL FRIDAY, JULY 31**

This is a hands-on course where you will learn what to do during a terrorist small arms attack, a sniper attack, attempted kidnapping, where to sit in the subway, and more. This is the very same course that many police and federal agencies have sent their officers to.

Each course is 8 am to 5 pm, and comes with a detailed step-by-step outline and all teaching materials (graphs, forms, web images, and custom logos). Instructors that complete all five courses are authorized to teach these five Level 1 courses.
